

Before we start, just need you to confirm your eligibility to attend this school.

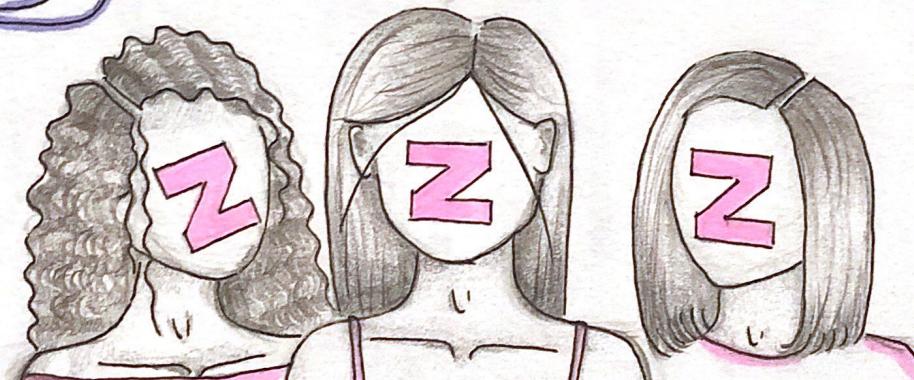

dd / mm / yy

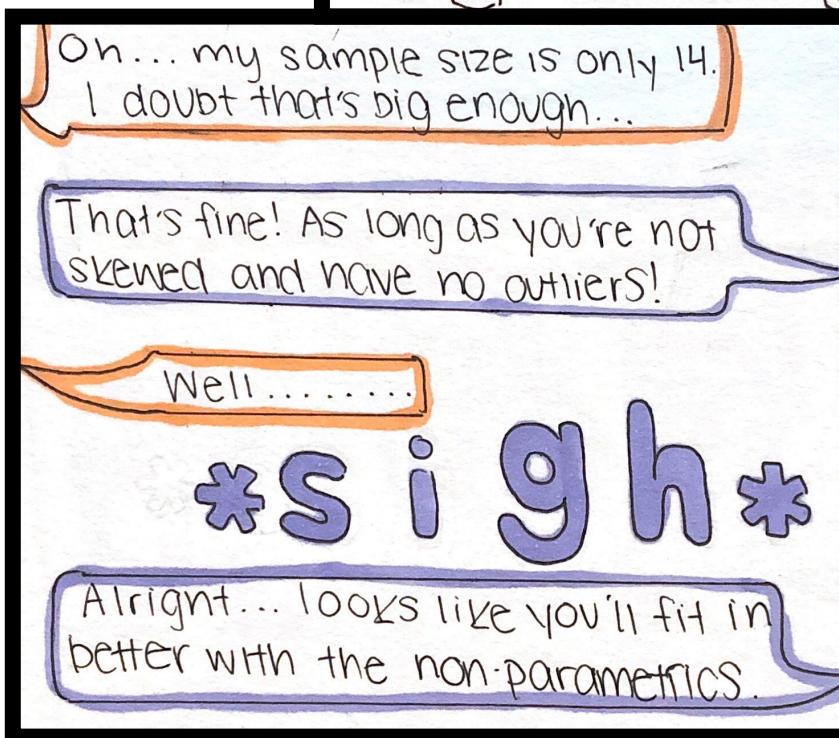

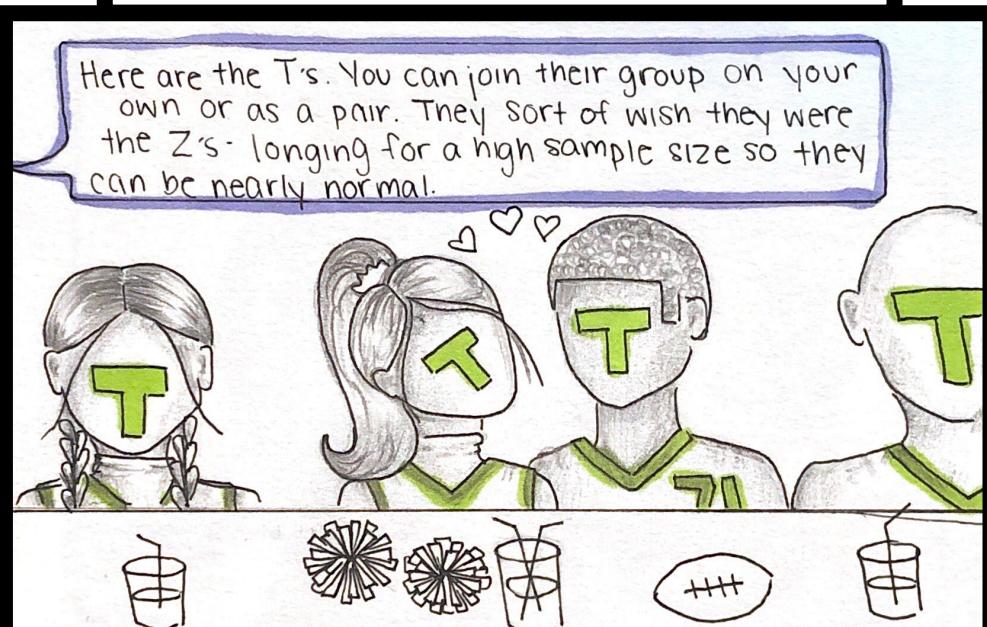

I, _____, confirm full name that I fulfill both the randomness and independence conditions required to attend Professor Wagner's School of Statistics.

Those are the Z's. They have the most power in the school, but they are very exclusive. You have to be nearly normal, know your population's standard deviation -

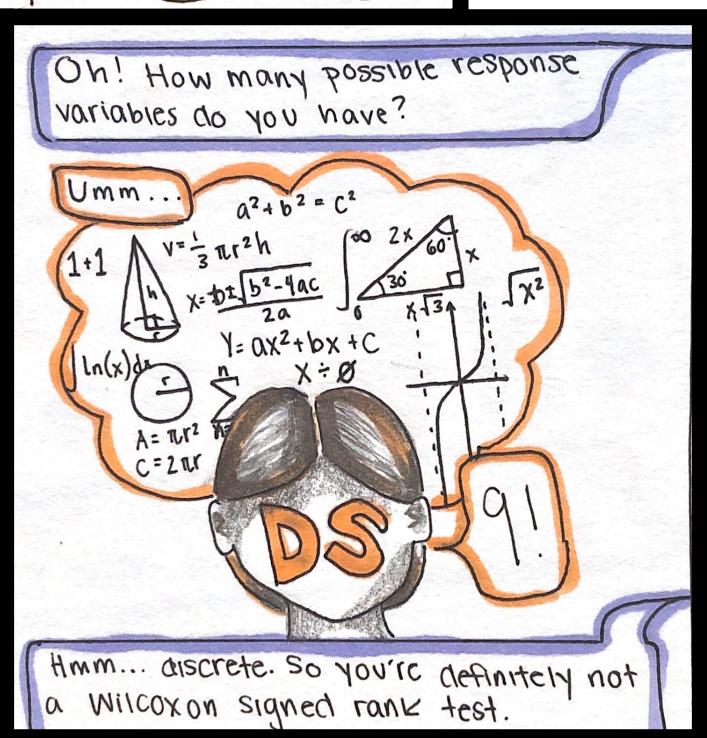

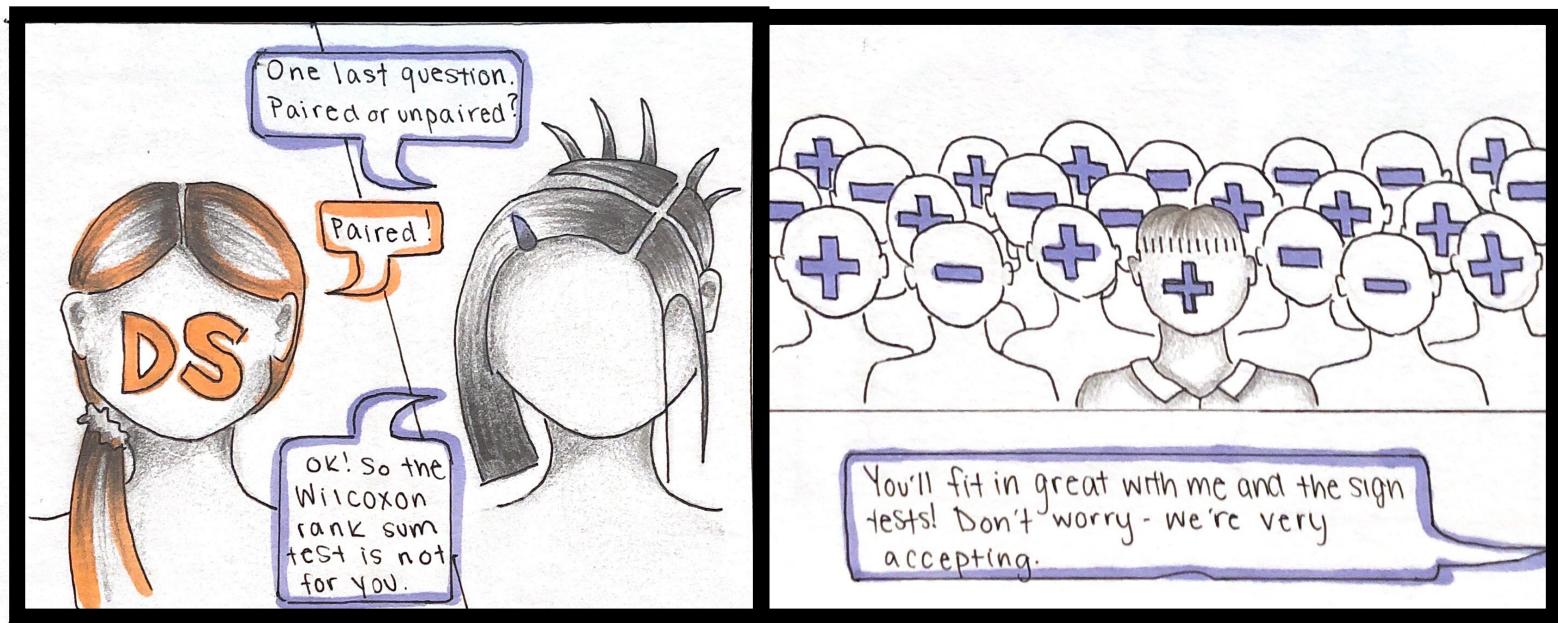

Well.....

sigh

Alright... looks like you'll fit in better with the non-parametrics.

You'll fit in great with me and the sign tests! Don't worry - we're very accepting.
